Call for papers

10th Annual Conference of the French Association of Law and Economics

The 10th annual conference of the French Association of Law and Economics (AFED), which will be held

October 9 & 10, 2025

The AFED conference provides a forum for discussion and exchange for all researchers and practitioners interested in issues that can be analyzed through a multidisciplinary approach in Law and Economics.

Submission (French or English) : papers or extended abstracts (at least 2 pages) on original topics related to law and economics

Keynote speaker : Nuno Garoupa (Professor of Law & Faculty Director of Graduate Students, George Mason University, Antonin Scalia Law School)

Nuno Garoupa
Antonin Scalia Law School

AFED Young Researcher Prize awarded for a paper presented at the conference (more details on the website).

Publication : two papers will be selected for publication in the special European Association issue of the *European Journal of Law and Economics*.

Please note that in order to attend the AFED Annual Conference, you must be a member of AFED.
